TECHNICAL DATASHEET

Certified Safety. Intelligent Value.

Cut & Impact Resistant Work Gloves

Model: TPR9004 | ArmorGuard

Cut Resistance	Impact Protection	Abrasion Resistance	Tear Resistance	Puncture Resistance	Palm Grip

Technical Specifications

Liner Material	13-Gauge HDPE Cut-Resistant Liner
Back Protection	TPR Impact Guards
Coating	Nitrile Palm Coating
Cuff Style	Knitted Cuff
Surface Finish	Sandy Finish
Size Range	7-11 (S-XXL)
Colour	Orange / Green / Blue

Certifications & Standards

CE

EN 388:2016+A1:2018 **- 4X44DP**

EN ISO 21420:2020

Performance Notes

- **Cut Resistance**: EN 388 TDM Cut Level D.
- **Impact Protection**: EN 388 “P” for the tested back-of-hand area.
- **Puncture Resistance**: EN 388 Level 4. Not a hypodermic needle-resistance rating.

Cut-Resistant Knit

Cut-resistant fiber construction helps protect against sharp-edge contact.

TPR Impact Guards

TPR guards provide impact protection across the specified back-of-hand areas.

Nitrile Palm Grip

Nitrile-coated palm supports controlled grip when handling tools and materials.

Recommended Applications:

Mining & Quarrying | Construction Work | Metal Handling | Maintenance

Available Colors: Orange / Green / Blue
